

| Bachelor Courses                              | Bachelor/Master Courses                             | Marine Biological Specialization              | Other Master Courses                          | Ph.D. Courses                                 |
|---|---|---|---|---|
|   | Advanced Bacteriology 2<br>(7.5 ECTS)               |   |   |   |
|   | Molecular Microbiology 2<br>(7.5 ECTS)              |   |   |   |
|   | Comparative Anatomy<br>(7.5 ECTS)                   | Fish Swimming<br>(5 ECTS)                     |   |   |
|   | Methods & Sampling in Environ. Manag. (7.5 ECTS)    | Applied Ecosystem Ecology<br>(7.5 ECTS)       | Microenvironmental Analysis<br>(5 ECTS)       |   |
| Advanced Biofilm Course<br>(3 ECTS)           | Protists - Eukaryotic Microbiology (7.5 ECTS)       | Applied Phycology<br>(7.5 ECTS)               | Invasion Biology<br>(7.5 ECTS)                |   |
| Molecular Microbiology 1<br>(7.5 ECTS)        | The Biology of Fish<br>(7.5 ECTS)                   | Sensory Biology<br>(7.5 ECTS)                 | Animal Morphology<br>(7.5 ECTS)               |   |
| Experimental Marine Biology<br>(7.5 ECTS)     | Project outside course scope<br>(7.5/15 ECTS)       | Marine Microbiol. & Virol.<br>(7.5 ECTS)      | Arctic Biology<br>(7.5 ECTS)                  |   |
| Marine Biology<br>(7.5 ECTS)                  | Physiology of Aquatic Animals (7.5 ECTS)            | Project outside course scope<br>(7.5/15 ECTS) | Project outside course scope<br>(7.5/15 ECTS) | Marine Fanunistics<br>(7.5 ECTS)              |
| Project outside course scope<br>(7.5/15 ECTS) | Almen mikrobiologi<br>(7.5 ECTS)                    | Microbial Biotechnology<br>(7.5 ECTS)         | Feltbiologi 1<br>(1 ECTS)                     | Arctic Field Course<br>(7.5 ECTS)             |
| Applied Marine Biology<br>(7.5 ECTS)          | Molekylærbiologi, genetik og bioteknologi (15 ECTS) | Basal arktisk biologi<br>(7.5 ECTS)           | Evolutionsbiologi<br>(7.5 ECTS)               | Project outside course scope<br>(7.5/15 ECTS) |
| Organismernes diversitet<br>(15 ECTS)         | Biochemistry<br>(7.5 ECTS)                          | Almen Økologi<br>(7.5 ECTS)                   | Metabolisme og enzymologi<br>(15 ECTS)        | Marinbiologisk sommerkursus (7.5 ECTS)        |
| <b>Block 1</b>                                | <b>Block 2</b>                                      | <b>Block 3</b>                                | <b>Block 4</b>                                | <b>Block 5</b>                                |
